To Whom It May Concern:

I am writing this letter of recommendation for Precision Painting.

Chad Ebbert and Ben Hammer approached me about painting my house. I found their presentation professional and complete. Their estimate was fair, thorough and understandable.

When their work crew arrived, they worked diligently and professionally until the job was done. Each night, they took me through a walk thru to explain what they had done and what they would do the next day.

I couldn't be more pleased with their work and would recommend them to anyone who needs their home painted.

Sincerely,
