

Blossom Basket Florist

June 11, 2006

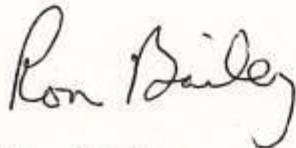

To Whom It May Concern:

This is a reference letter for Precision Painting.

Chad and his crew have done 2 painting jobs at our home. We are very pleased with their work. They show up on time, work hard, clean up behind themselves, and are very professional.

I would highly recommend Precision Painting.

God's blessings,

Ron Bailey
CEO
Blossom Basket Florist, Inc.
