David J. Sulzbach  
PRESIDENT AND  
CHIEF EXECUTIVE OFFICER

May 30, 2005

To Whom It May Concern,

We recently contracted Precision Painting for power washing and painting.

We found the crew reliable, courteous, and hard working. Chad personally reviewed the progress with us every evening. They did the work on time and left only when it was complete and we were satisfied.

The quote was accurate and well presented. There were no surprises.

It is with out hesitation that we recommend Precision Painting.

Sincerely,

David & Judi Sulzbach
